

COPPELL YOUTH SOCCER ASSOCIATION
LAWS OF SOCCER FOR U9 & U10 (Revised 3/7/2011)

The rules of soccer are determined by FIFA (Federation Internationale De Football Association). FIFA allows the laws of the game to be modified for youth and amateur adult soccer. What follows are the rules and practices which the CYSA will use. For situations not covered in this document, the FIFA rules will hold. The language and order of the rules have been modified for ease of understanding. However, all coaches are encouraged to become familiar with the Laws of the Game. These rules include changes of FIFA rules as of August 1997.

BEFORE THE GAME

The Home team will:

- Provide the game ball
- Wear the pennies if there is a color conflict.
 - Pinnies are available at the concession stand.

U7 and older teams will have spectators/parents on one side of the field and coaches/players on the opposite side.

If this is the first game on the field, each coach will put up a net and corner flags. After the game, if it is the last game, each coach will take down the net and corner flags. The coaches and/or spectators must stay clear of the goal and may not place anything on, by or near the goal.

The Referee may call the coaches to the center to talk about such things as game or tournament rules, special procedures, or any special player medical problems.

The Referee will call to the center circle each team's captain(s), which the coach has selected. The team that wins the coin toss will decide which end to defend. The other team will take the kick off to start the match.

5. Each player shall play a minimum of 50% of the game.
6. An ejected player may not be replaced.

LAW 4 - PLAYERS EQUIPMENT

1. Each team should have distinguishable uniforms while the goalkeeper should be easily distinguishable from the other players. Each player must wear shin guards and tennis shoes or soft plastic molded cleats. No player may wear anything which, in the referee's opinion, is dangerous to another player (i.e. watches, jewelry, etc.).
2. If thermal shorts (visible undergarments) are worn, they are to be of the same main color as the shorts. If shorts are multicolor, they must match the dominant color.

LAW 5 - REFEREES

1. The Referee has the jurisdiction from the time he enters the field of play until he leaves the field. His decisions are final.
2. The Referee can stop the game for infringement of the rules by blowing a whistle. He can suspend or terminate a game whenever he/she deems necessary (i.e. severe weather or interference by spectators).
3. The Referee acts as timekeeper, record keeper, and scorekeeper.
4. Rule infractions shall be briefly explained to the offending player.

8. Any player bleeding from a wound must leave the field of play and not return until the bleeding is stopped and he/she receives the permission of the Referee.

LAW 6 – LINESMEN

At the direction of the Referee, club linesman may be used.

1. The duties of the Linesmen are to indicate:
 - when the ball is out of play
 - which side is entitled to throw-in, goal kick, or corner kick.
 - when a substitution is desired and that the substitution was completed properly
 - assist the Referee in identifying off-sides infraction
 - assist the Referee to control the game in accordance with the Laws on infractions the Referee may not have seen.
2. The Referee makes the final decision of the action to be taken even if the initial Linesman's signal is to the contrary.

Only the Referee can stop the game.

LAW 7 - DURATION OF GAME

1. Two (2) 25 minute halves, with one half-time break of five (5) minutes.

LAW 8 - START OF PLAY

1. The start of play at the beginning of each half and after a goal shall proceed with a kick-off. The team that did not take the opening kick off shall take the kick off at the start of the opening of the second half, and the teams shall change ends of the field at the half.
 - On a kick-off, the ball must be stationary on the ground at the center of the field and is in play when it is kicked and moves forward. The phrase "kicked and moves" is equivalent to "touched with the foot and moves." The ball must move into the opponent's half of the field before being in play and cannot be touched again by the kicker until someone else touches it.
 - On kick-off, each player must be in his own half of the field and all players opposing the kicker must be at least eight (8) yards from the ball.
 - A violation of this rule results in retaking the kick-off.
 - A goal CAN be scored direct from a kick-off.

2. After a temporary suspension of play for any reason not otherwise mentioned in these laws, the Referee shall restart the game by a drop-ball where the ball was when play was stopped. Unless it was stopped within the goal area, in which case the drop ball shall be taken at that part of the goal area line parallel to the goal line on a line perpendicular to the goal line from where stoppage occurred. A player may not touch the ball until it touches the ground, and the ball is not in play until it touches the ground. Otherwise the drop-ball shall be retaken. A goal may be scored from a dropball.

LAW 9 - BALL IN AND OUT OF PLAY

1. The ball is out of play only for the following two reasons:

- The ball has wholly crossed the goal-line or touch-line on the ground or in the air. That means if part of the ball has not crossed the line it is still in play. The Referee makes the judgement of the ball being out of play.
- When the Referee stops play for any reason.

2. The Ball is not out of play if it hits a goal post or corner flag and remains in the field of play. Nor is it out of play if it hits a Referee or Linesman if they are in the field of play.

3. The ball is out of play if it hits the football uprights. The ball is put back in play as if it had gone out of bounds over the goal line.

LAW 10 - METHOD OF SCORING

A goal is scored when the whole of the ball crosses the goal line between the goal posts and under the cross bar, provided it was not propelled by hand or arm of an attacking player. If a defending player deflects the ball by hand or arm and it goes in the goal entirely, a goal is scored.

LAW 11 - OFF-SIDE

1. A player is in an off-side position if he/she is nearer the opposing team's goal line than the ball, unless:

- He/she is in his own half of the field of play, or
- He/she is not nearer to his opponents' goal-line than at least two of his/her opponents, including the opposing goalkeeper.

This means that "even with the second to the last defender" is not off-side.

2. A player shall be penalized for being in an off-side if, at the moment the ball touch -3, or is played by one of his/her own team he/she is in the opinion of the Referee involved in the active area of play by:

- Interfering with play.
- Interfering with an opponent.
- Gaining an advantage by being in an off-side position.

3. A player shall not be declared off-side by the Referee:

- Merely because of his being in an off-side position, or
- He received the ball directly from a goal kick, corner kick or a throw-in.

4. For an off-side infraction, the defending team is awarded an indirect free kick from the place where the off-side occurred, unless the offense is committed by a player in his opponents' goal area in which case the free kick shall be taken from any point within the goal area.

LAW 12 - FOULS AND MISCONDUCT

1. A player who commits any of the following offenses in a manner considered by the referee to be careless, reckless or involving disproportionate force:

- Kicking or attempting to kick an opponent
- Tripping an opponent
- Jumping at an opponent
- Charging an opponent violently
- Charging an opponent from behind
- Striking an opponent
- Holding an opponent
- Pushing an opponent
- Handling the ball with hand or arm from shoulder to fingers (except goalkeeper in penalty area).

Should a player of the defending team commit one of the above offenses within the penalty-area he shall be penalized by a penalty-kick awarded to the opposing team.

2. A player who commits any of the following offenses shall be penalized by the award of an indirect free-kick to be taken by the opposing team from the place where the offense occurred, unless the offense is committed by a player in his opponent's goal area, in which case, the free kick will be taken from anywhere within the goal area. The offenses are:

- Playing in a manner considered by the Referee to be dangerous, such as attempting to kick the ball while held by the goalkeeper.
- Charging fairly, with the shoulder, when the ball isn't within playing distance of the players concerned and they are definitely not trying to play it.
- When not playing the ball, impeding an opponent, i.e., running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent.
- Charging the goalkeeper except when he:
 - is obstructing an opponent
 - has passed outside his penalty area
- When the goalkeeper takes control of the ball with his hands and takes more than four (4) steps in any direction, whilst holding, bouncing, or throwing the ball in the air and catching it, without releasing it into play. Or if the goalkeeper holds the ball for longer than five to six (5-6) seconds, the Referee must judge it as time-wasting and award an indirect free kick. Or having released the ball into play during or after the four (4) steps, he touches it again with his hands, before it has been touched or played by another player of the same team outside of the penalty area, or by a player of the opposing team either inside or outside of the penalty area. The keeper may not bounce the ball.
- When the goalkeeper touches the ball with his hands after it was kicked to him by a teammate.
- When the keeper indulges in tactics designed to hold up the game.

3. An indirect kick will be awarded if the goalkeeper handles the ball after receiving it from a throw in from his/her own team. This does not apply if the goalkeeper receives the ball from an opponent taking a throw in. Also, he/she may receive the ball at his/her feet and dribble but will not be allowed to pick up the ball with his/her hands.

4. A player shall be cautioned if he:

- Is guilty of unsporting behavior
- Shows dissent by word or action
- Persistently infringes the Laws of the Game
- Delays the restart of play
- Fails to respect the required distance (10 yards) when play is restarted with a corner kick or free kick
- Enters or reenters the field of play without the permission of the Referee
- Deliberately leaves the field of play without the permission of the Referee

5. A player shall be ejected from the game if he:

- Is guilty of serious foul play
- Is guilty of violent conduct
- Spits at an opponent or any other person
- Denies an opponent a goal or an obvious goal scoring opportunity by deliberately handling the ball (does not apply to a goalkeeper in his/her own penalty area)

6. Rules infractions shall be briefly explained to the offending player.

LAW 13 - FREE KICKS

1. The two kinds of free kicks are:

- Direct free kicks from which a goal may be scored directly against the offending team (i.e. without any other player making contact with the ball after the kick).
- Any free kick awarded to the defending team within its own goal area shall be taken from any point within the goal area. The kick must be kicked out beyond the penalty area.

2. All free kicks are taken from the place where the offense occurred, except:

- An indirect free kick awarded to the attacking team within its opponent's goal area shall be taken at that part of the goal area line parallel to the goal line on a line perpendicular to the goal line from where the infractions occurred.
- Any free kick awarded to the defending team within its own goal area shall be taken from any point within the goal area. The kick must be kicked out beyond the penalty area.

3. The ball must be stationary on the ground and is in play when it is kicked and moves forward. The ball may not be played by the kicker a second time before being touched by another player.

4. All opposing players must be at least eight (8) yards away from the ball when the ball is put into play, unless the offense occurred less than eight (8) yards from the opponents' goal line. In which case the opposing players may stand on their own goal line between the goal posts. If this rule is violated the free kick is retaken.

5. On free kicks taken within its penalty area by the defending team, all opposing players must be outside the penalty area and at least eight (8) yards away from the ball. The ball is in play when it is kicked and moves forward and is outside the penalty area. The goal keeper may not receive the ball then kick it into play. If the ball is not kicked into play beyond penalty area the kick shall be retaken.

3. All players except the kicker and the goalkeeper must be outside the penalty area and at least eight (8) yards away from the penalty marker, and must stand behind the penalty mark.
4. Players who enter the penalty area before the ball has been kicked need not now be cautioned for a first offense.
5. The goalkeeper remains on his/her own goal line, facing the kicker, between the goalposts until the ball has been kicked. He/she may move sideways but is not permitted to come off the line by stepping or lunging forward until the ball is in play.
6. The ball must be kicked forward and is in play when it is kicked and moves. The ball may not be played by the kicker a second time before being touched by another player.
7. A goal may be scored directly on a penalty kick (i.e. without any other player making contact with the ball after the kick).
8. For any violation of this Law:
 - a. If by the kicker, no goal is scored and an indirect free kick is awarded to the defending team.
 - b. If by the attacking team other than the kicker, the goals disallowed and the penalty kick shall be retaken.
 - c. If by the defending team and a goal does not result, the penalty kick shall be retaken.
9. Time shall be extended to allow a penalty to be taken.

LAW 15 - THROW -IN

1. A throw-in is awarded at the location where the ball passes wholly over the touch-line (sideline) to the team opposite which touched it last.
2. The thrower must face the field and part of each foot must be on the ground either on the touch-line or outside of the field of play.
3. A goal cannot be scored directly from the throw-in.
4. The ball is in play immediately upon entering the field of play but may not be played by the thrower before being touched by another player.
5. The ball may be thrown in to the keeper, who cannot pick it up even if the keeper is in the goal area.

6. For any violation of this law, the throw-in is awarded to the opponent.

4. The ball is in play when it is kicked and moves outside the penalty area and may not be played by the kicker a second time before being touched by another player. The goalkeeper may not receive the ball to kick it into play. If the ball is not kicked into play beyond the penalty area the kick shall be retaken.
5. A goal CAN be scored direct from a goal kick.
6. If the player taking the goal kick plays the ball a second time after it has passed beyond the penalty area, but before it has been played by another player, an indirect free kick shall be awarded to the opposing team from the place where the infringement occurred, unless committed within the opponents' goal area, in which case the free kick shall be taken from a point within that half of the goal area in which the infringement occurred.
